Community Biosecurity

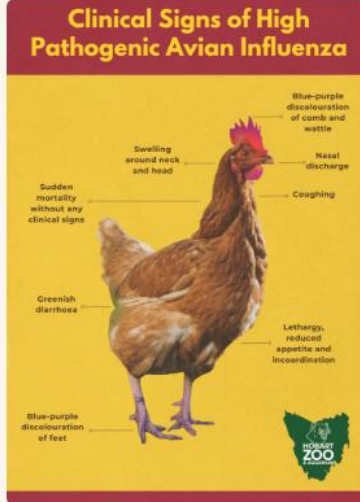

Welcome to Hobart Zoo and Aquarium's Community Biosecurity Hub.

This page is your first stop for trusted, up-to-date information on biosecurity issues that may affect wildlife, animals, and our local community. We regularly update this space with the latest advice, resources, and guidance on emerging biosecurity challenges, including Avian Influenza (bird flu).

By working together and staying informed, we can all play an important role in protecting Tasmania's unique wildlife and natural environment.

1. Understanding Avian Influenza (Bird Flu)

Clinical Signs of High Pathogenic Avian Influenza

Learn what Avian Influenza (Bird Flu) is, how it spreads, and why it is important for wildlife, poultry, farm animals, and our community.

2. What To Do If You Find a Sick or Injured Bird

We Want You to Be Safe

**AVOID**
Don't touch sick or injured birds

**RECORD**
Write down the date, time, location and species

**REPORT**
Call the Animal Disease Hotline on 1800 675 888

If you find a sick or injured bird, follow these simple steps to protect yourself, wildlife, and the wider community.

Learning Intention

We are learning how to help keep birds
and other wildlife safe and healthy.

Success Criteria

We will be successful when we can...

...explain what H5 avian influenza is.

... say what to do to help keep birds and wildlife safe.

Reading – H5 Avian Influenza

Avoid

Stay away and do not touch a sick or dead animal.

Reading – H5 Avian Influenza

We must ***avoid*** a hot pan so we don't get burnt.

We should ***avoid*** touching dead animals.

Reading – H5 Avian Influenza

Record

Write down or take a photo of what you see.

Reading – H5 Avian Influenza

I will ***record*** the phone number by writing it down.

I ***recorded*** what was at the beach by drawing it.

Reading – H5 Avian Influenza

Report

Tell a person or organisation that can help.

Reading – H5 Avian Influenza

An adult can ***report*** sick wildlife to the Animal Disease Hotline.

Reading – H5 Avian Influenza

H5 avian influenza is a sickness that can make some birds sick. It can spread from one bird to another.

Reading – H5 Avian Influenza

People who care for
wildlife watch birds closely.
They help keep birds safe
and healthy.

Reading – H5 Avian Influenza

You can help too. Do not touch a sick or dead bird. Tell an adult straight away.

Reading – H5 Avian Influenza

Keep pets away from wild birds.
Give them clean food and water.

Wash your hands after being
outside or near animals

Reading – H5 Avian Influenza

If you see a sick or dead bird, remember:

Avoid

Do not touch the bird.

Record

Ask an adult to take a photo and write down where the bird was found.

Report

Ask an adult to call the Animal Disease Hotline on **1800 675 888**.

Reading – H5 Avian Influenza

When we **Avoid, Record and Report**, we help keep wildlife safe.

We do

What is H5 avian influenza?

- A) A type of bird food. B) A sickness that makes some birds sick.
- C) A bird nest.

We do

What is H5 avian influenza?

A) A type of bird food.

B) A sickness that makes some birds sick.

C) A bird nest.

What should you do if you see a sick bird?

A) Pick it up.

B) Take it home.

C) Avoid it.

What should you do if you see a sick bird?

A) Pick it up.

B) Take it home.

C) Avoid it.

In the “Avoid, Record, Report” process, what does “Report” mean?

- A) Tell an adult so they can call the Animal Disease Hotline.
- B) Tell a friend.
- C) Draw a picture of it.

In the “Avoid, Record, Report” process, what does “Report” mean?

A) Tell an adult so they can call the Animal Disease Hotline.

B) Tell a friend.

C) Draw a picture of it.

Create a wildlife safety poster

Create a poster about how to help keep wildlife safe from H5 avian influenza.

Include:

Title

Avoid

Record

Report- Call the Animal Disease Hotline: **1800 675 888**

Pictures

Optional: Template

Avoid

Record

Report

**Animal Disease Hotline:
1800 675 888**

EXAMPLES

We Want You to Be Safe

AVOID
Don't touch sick or injured birds

RECORD
Write down the date, time, location and species

REPORT
Call the Animal Disease Hotline on 1800 675 888

Australian Government

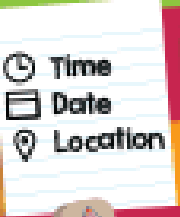

KEEP WATCH FOR BIRD FLU

AVOID! 

RECORD! 

Time
Date
Location

REPORT!

Tell a vet, a ranger or a trusted adult.

Call the Emergency Animal Disease Hotline on 1800 675 888

Plenary

Share with a friend.

Read your poster aloud
to them.

We are prepared for H5 avian Influenza in Tasmania.

All you need to do to stay safe is...

**Avoid
Record
Report** – 1800 675 888
